BLACKSTONE'S BREAKDOWN

Types of Firearms

RIFLE

A firearm with a grooved barrel greater than 16" inches, designed with distance and accuracy in mind.

SHOTGUN

A firearm with a smooth barrel signed to typically fire a shell containing projectiles at once.

HANDGUN

A smaller, more compact firearm, designed to be easily transported and concealed.

RECEIVER

the heart of a firearm, the serialized portion in which all other parts attach.

SUPPRESSOR*

A device designed to attach to the end of a firearm to cut down the noise of the firearm.

SHORT BARRELED FIREARM*

A firearm with a barrel less than 16" inches equipped with a stock.

**Items fall under NFA Classification. Items require a \$200 tax stamp to be purchased and ATF form 4 approval.*

Not a NC Resident? No problem, email FFL@blackstoneshooting.com and we can transfer the firearm to your local FFL.
